ORDER No. P.W. 976-77—EST. 45-51-3, DATED BANGALORE, THE 29TH APRIL 1952.

On account of the abnormal rise in the cost of labour and materials after the war, the cost of works has increased by three to four times the pre-war rate, with the result that even works of small magnitude which were within the powers of sanction of the Chief Engineer have to come up to Government for sanction. The Chief Engineer has, therefore, forwarded proposals for suitably enhancing his powers of sanction, etc.

2. After careful consideration, sanction is accorded to the existing powers of the Chief Engineer being enhanced as indicated in the annexure to this Government Order.
